tOD Joins LAU Board of Advisory

Shaping the future of design starts with shaping the conversations around it.

Our Founder & Technical Director, Adib Dada, joined the Dean's Advisory Board of LAU's School of Architecture & Design to discuss the School's strategic direction & the evolving landscape of design education.

At tOD, thought leadership is an integral part of our work: challenging conventional perspectives, connecting disciplines, & advancing regenerative approaches to the built environment & the living systems we are part of.
